Current Events

Regular season **basketball** games have begun. Game schedules and practice schedules are on the web site and are updated regularly.

Spring Sports Registration

Baseball and **softball** registration begin February 17. PLEASE REGISTER EARLY. It helps us plan. Check the web site for the latest information.

NO BASEBALL?

Currently we have no **baseball president** and time is running out. HPL baseball cannot function without a president and so we are faced with the real possibility of cancelling baseball for this season. It is the last thing we want to do but it would be worse to allow the league to form without a president. Please contact **John Priest** ASAP if you have any interest at all in helping out. It's possible a committee could be formed to manage baseball but it would still need a leader.

Other News

We are still without a **Vice Chairman of Concessions**. Cathy and Pat graciously continued to help through the fall season along with several other volunteers but it's imperative that we fill the board position soon. Spring sports will not be the same without concessions and the lost revenue will strain the league's budget and this will impede the park's improvement plans.

Visit our **web site** if you haven't yet. You'll find lots of good information there including this news letter and previous ones.
