Current Events

HPL Board Elections, June 8 and 9

It's that time of year again. Elections will be held at the park on the evening of June 8 and the morning of June 9. If you've ever considered running for a board position, now's the time. Completing a term as a board member is very rewarding as any past board member can attest. If you are interested or just have questions, please contact any board member or the zone coordinator, John Cooper.

Fall Sports

Start planning now for fall sports, **baseball**, **football**, **soccer** and **volleyball**. Registration will begin Saturday July 21.

Other News

New Batting Cages

The construction of the new batting cages has lingered on for much longer than anticipated but they're almost complete and we'll be enjoying them soon. The old cages are still good and will remain in service but they are smaller so the new cages were built to accommodate the older/larger players. We will establish guidelines to determine who uses which cages when they are crowded.

Baseball

Randy Cash is our current baseball president but he'll be leaving after the spring season. We'll need a new baseball president for the fall season. If you've ever considered this position, now is the perfect time to start. Fall baseball is much smaller than spring baseball and it's a good way to get acquainted with the job without the demands of the spring season..
