The HPL News

www.huntsvillepatriotleague.org

This edition of the HPL News is dedicated entirely to raising awareness of HPL's need for volunteers for three critical positions. Their importance cannot be overstated. For baseball, John Priest will personally assist and counsel the new baseball president and Cathy Hicks can be counted on to do the same for the Vice Chairman position. Below is listed each position and its associated duties. This information can also be found on the web site. It's no coincidence that these are the three most important positions for the spring sports season and it needn't be said that HPL cannot operate without them.

If you have any questions about any of these please contact John Priest at 650-0497 or chairman@huntsvillepatriotleague.org. You can find any HPL board member's contact information on the web site.

Baseball President for 2007

Duties include:

- Serve as director for the entire major, minor, and t-ball programs.
- Serve as player agent.
- Conduct baseball registrations, tryouts and drafting of players.
- Recommend managers and coaches to the Executive Board for approval.
- Verify through review of birth records and residential locations to confirm that all players are eligible.
- Receive players names submitted for All-Stars by managers and coaches, and conduct balloting for selection of the All-Star Team.
- Appoint assistants as necessary to implement and carry out the baseball program.
- Establish and prepare schedules for season games.
- Solicit assistance from the Ways and Means Committee as necessary in establishing seasonal budgets.
- Follow safety and equipment guidelines.
- All sport presidents are required to submit a final report and budget review.

Softball President for 2007
