HPL

Current Events

Fall Sports is winding down and so **Basketball Registration** is underway. It continues through Saturday November 3. Please do not delay to register. *There is no guarantee we will accept registers at tryouts.*

Many thanks as always to our fall sports presidents **Raynard Goodman (Football), Minette Hilbrant and Angela Bonner (Cheerleading) and Cecilia Kenney (Volleyball)** and all their coaches for working so hard to provide a good experience for all players.

HPL Elected Board Members

There were two board positions left unfilled after elections this summer. Those positions have since been filled by appointments and the current board is now at full strength:

Chairman - John Priest

1st Vice Chairman - Brett Moon

2nd Vice Chairman - Jim Kennamer

3rd Vice Chairman - Al Caire

4th Vice Chairman - Cathy Hicks

Treasurer - Niki Hurless

Secretary - Leslie Buckelew

John Priest ran for Chairman only because no one else did. If a candidate steps up and is approved by the board, John will relinquish the Chairmanship.

HPL Appointed Board Members

Our appointed board members are some of the hardest working volunteers at the park. They are:

Gary Ballard - Basketball President

Minette Hillbrant - Cheerleading President

Raynard Goodman - Football President

Cecilia Kenney - Volleyball President

Notice we still have not filled the vacancies left in baseball and softball. Please contact any board member if you have any questions about these positions. They must be filled soon or our spring sports will be in jeopardy.

Other News

NO SMOKING

The HPL board takes no position for or against smoking but HPL is required to comply with city laws, ordinances and regulations. By city ordinance, smoking is prohibited at Bell Mountain Park (or any city park). If you are a smoker, your cooperation will prevent the awkward situation of someone having to remind you.

Birth Certificates are kept on file at the park for each player registered. We maintain these so you don't have to bring in a new copy each season. Earlier this month a freak accident filled the birth certificate file box with water and destroyed all of them. So the next time you register a player, please bring in a copy of the birth certificate so we can make a new copy of it.

Wi-Fi Internet access at the park has been discontinued. As much as a few enjoyed it, there just wasn't enough use to justify the continued expense.

Visit our web site if you haven't yet. You'll find lots of good information there including this news letter and previous ones.
