Scholarship Request Form

What is an HPL scholarship?

There are some HPL members who for good reason from time to time may not be in a stable enough financial position to pay the fee for their child to participate in an HPL sport. HPL wants *all* willing children to be able to participate so we have established a scholarship program in which the registration fee is waived for a player whose scholarship application is approved. In return, the parent/guardian requesting the scholarship will be asked to provide some volunteer services for HPL during the season.

Who can apply?

Any parent or guardian of an HPL eligible player may apply.

How do I apply?

Complete the information below and return this form to the president of the sport of which you are requesting a scholarship.

Who decides who gets a scholarship and when will they notify me?

The president of the sport presents the scholarship application to the HPL board. The board will then review the application and vote to approve it or not.

How many scholarships are available?

It depends on the financial condition of the program. Some sports programs are able to bear the financial burden while others are not. In any case, scholarship availability is very limited. This is why the HPL board itself will review and decide on each application.

Is this information kept private?

Absolutely. Only the elected board members and the sport president will discuss this and only in private.

Please complete all information as thoroughly as possible.

Player's name: _____ Age: ____ Birth Date: _____

Sport: _____ Your name: _____
